A little throwback to Piano Night at Kearney Plaza — where the music flowed, the bites were tasty, and neighbors turned into friends. Cheers to good vibes and even better company!

What Residents are Saying

C.

"We love living here. The location, the big windows overlooking the courtyard, and the relative quietness of the apartments are some of the perks. The staff has been great, too. Anthony in maintenance was timely and kind. He took the time to explain what he was doing, why, and how long he thought it might take. He answered all of our questions with a smile. (I always have questions.) lol. Damien (assistant mgr) helped us with several things when we first moved in, but helping us with some parking issues was really helpful at a super stressful time. Good staff/mgmt really does make a difference."
