What They're Saying

LF.

"I lived here for about a year, I had to move from across the country and pick this complex sight unseen and it was the best decision I could have made. Very spacious units with a decent view of downtown Portland and in a great location near tons of restaurants and fun things to do. The people that work in the leasing office (Carlos and Dameion) really care about their residents and it shows, very polite and willing to work with you on all of your needs as a resident. I sadly had to move out for work to a different state but I would have stayed if I had the choice."
